ATHLETICS

Athletics have been a part of my life for the past eight years, requiring discipline, time management, and dedication. Finding the right balance between academics, athletic practice, work, and everyday life taught me how to stay focused. While being a student-athlete demands a lot of time I have been able to maintain a healthy social life and demonstrated my ability to handle multiple commitments.

- SXU Cross Country, Track & Field, 2021- Present
 - Team Co-Captain 2022 and 2023
 - Event Leader in 800 Meter, 4x800 Meter (4x), and DMR (3x)
 - Track & Field National Qualifier (1x)
 - 6th place finish at Cross Country Conference 2024
